# ICP 2020 PRESIDENT MESSAGE

## Letter from the President of ICP2020

I speak to you as the president of the International Congress of Psychology with an invitation to become a partner of The International Congress of Psychology. ICP is a top world event in psychology which takes place only once in four years. It is a scientific congress and at the same time a unique networking opportunity. At this occasion, you can advertise your institution and its results not only to psychologists but also to experts from many related fields. Psychological applications encompass the spheres of industrial production, health, and education, among others.

We expect approximately 9.000 participating psychologists as well as experts from related fields from all continents. They are affiliated with various universities, colleges, research institutions, government bodies, consulting centers, humanitarian foundations as well as commercial industries.

Our Partnership Package presents a variety of opportunities to increase the visibility of your institution in the international context. The venue is the Prague Congress Centre, an ideal location close to the center of Prague, the most beautiful city in Central Europe.

We offer you a professional as well as friendly and flexible approach of our organizers so that you can make the best use of the opportunities in our portfolio. The ICP2020 offers a wide variety of options for sponsoring partnerships which will provide you not just with benefits during the Congress itself but which will involve you well before the Congress opens and will keep you in the minds of the participants long after the Congress closes.

We trust that this portfolio will help you to find an ideal style of partnership with the ICP2020 and we are confident that we can help to tailor our partnership to the mutual advantage of both the Congress and your respected institution.

Do not miss the opportunity to be associated with this special event.

We are looking forward to work with you as the partner of the ICP2020 in Prague.

Yours truly,

Stanislav Štech  
ICP 2020 President

## INTERNATIONAL CONGRESS OF PSYCHOLOGY

The International Congress of Psychology is one of the biggest international event of Psychology in the world. It is organised every four years under the auspices of the International Union of Psychological Science. The first ICP Congress was held in 1988 in Australia and the 32nd Congress is coming to Prague in July 2020. Do not miss this extraordinary event and promote your company there.

### ICP IN NUMBERS:

### Conference Programme:

The conference programme will include:

- Business meetings
- Workshops
- Keynote Addresses presentations
- State of the Art Lectures
- Controversial Debates
- Plenary sessions
- Poster Sessions
- Welcome reception
- Congress Party
- Exhibition

### Attendees at ICP 2020

The Congress will attract more than 9,000 representatives from:

- Universities
- Schools
- Research agencies and institutes
- Medical research institutes
- Research centres
- Government departments
- Funding Bodies
- Industrial bodies
- Service providers
- Commercial bodies and consultancies

### **Promotion of ICP 2020**

The Congress has a marketing strategy that will ensure the benefits of supporting the Congress are widely known before, during and after the event including:

- Extensive direct mail campaigns
- Website and electronic promotions
- Social media campaigns
- Promotion at other related conferences
- Promotion at special interest group meetings

### **Benefits of Partnering with ICP 2020**

ICP2020 will provide a wide variety of standard and tailored options for partners and exhibitors to maximize the ability to showcase their services and products. The Congress aims to receive over 9,000 participants from across the world and a wide variety of institutions. A wide and intense marketing campaign ensures that ICP2020 will be one of the biggest to date – providing substantial benefits for you as partner and exhibitor.

- Receive wide visible acknowledgment via ICP2020 marketing leading up to, during and after the Congress
- Raise your profile in the industry and add value to your brand
- The opportunity to relay your key message to a captive and relevant audience who have dedicated time during the Congress
- Inform and update delegates on new initiatives and developments within your organization
- The opportunity of your key staff to connect face to face with the most influential people, bodies and organizations in research, research management, universities etc.

ICP2020 offers a wide variety of options enabling sponsored partnerships with substantial benefits starting well before, and continuing after the Conference has closed, and naturally with fantastic exposure during the Conference itself.

### **Partnership & Exhibition Forum**

Partners and exhibitors can actively participate in the Partnership & Exhibitors Forum within the Congress programme. To increase your exposure and visibility, we provide the opportunity to present your product or service in a 3 minute presentation. As this is very popular, space is limited and will be booked on a “first come first serve” basis.

Packages for partners are created according the level of sponsorship and associated benefits. More detail and other packages on following pages. If you are interested in any of these, or would like to discuss a tailored package for your specific needs, please contact us at:

Exhibiting at the Prague ICP2020 conference gives you access and exposure to a very wide variety of executives, professionals, and leaders in various disciplines that you would not normally be able to reach – and they are eager to hear and see what you can offer. The conference creates the right atmosphere to engage at multiple levels and provides you with many options to maximize your visibility and attract visitors to your booth.

ICP2020 will give you, the Exhibitor, the ideal platform and audience to showcase your products and services. You will also have the option to choose from a wide variety of exhibit types that suit your scope and scale.

### **Why would you want to exhibit at ICP2020?**

- ICP attracts global leading professionals in a broad range of Psychology disciplines
- Conference attendees have invested in the event and thus are in “listening and learning” mode ideal for you as Exhibitor
- A constant stream of participants moving between events and activities over several days giving you a steady visitor base
- Participants will also be showing interest on latest topics as published and presented at the Conference
- Enables networking for future opportunities
- Give yourself the opportunity to see latest industry trends

A high percentage of conference attendees browse the exhibits between program sessions. The diverse nature of the program means you will see a constant stream of visitors from a wide range of disciplines.

- Universities, colleges and schools
- Research agencies, institutes and centres
- Government departments
- Funding bodies
- Industrial bodies
- Service Providers
- Commercial bodies
- Consultancies

Early confirmation of your booth/table will enable you to select your preferred space on the floor plan.

**Minimum space purchase is 6 square meters (3x2). The booth is rented as “space only” for EUR 500 per square meter.**

This means that the booth site will be given without any prefabricated walls, installations, furniture, electricity, carpet and furnishings or any other technical supplies and facilities. The exhibitor must personally take care of the set-up and installation of the actual booth.
